Check in at the HOBCAW BARONY DISCOVERY CENTER

Paddle North Inlet

Join Reserve and Surf the Earth staff for a naturalist-guided tour through the creeks of North Inlet. This program includes instruction in basic kayaking, a natural history overview, and educational highlights of the North Inlet ecosystem. Fee includes kayak, paddle, personal floatation device, and water. Bring snack, camera, binoculars, and wear sturdy shoes.

Cost: \$50/person; weather permitting; limited to 6 participants; please call to register.

Low Tide Paddle 9:30am-1:30pm

September 7th (Wednesday) September 23rd (Friday)

High Tide Shell Midden Paddle 8:30am-11:00am

September 29th (Thursday)

Fall Wildflowers

Take a walk through maritime, upland forest, and wetland habitats to see fall in bloom at Hobcaw Barony. Reserve staff and naturalist will help identify common fall wildflowers. Wear comfortable walking shoes, bring insect repellent, camera, and binoculars (if desired).

Cost \$10/person; weather permitting; limited to 14 participants; please call to register.

September 20th (Tuesday) 10:00am-12:00pm

Bike to the Boardwalk

Bike through Hobcaw's forest to the Reserve's beautiful salt marsh boardwalk on North Inlet. Ride 2.5 miles (each way) on gravel roads to experience a leisurely salt marsh exploration. Upland forest habitats, wildlife, salt marsh ecology, and a variety of other topics will be discussed during the trip. Bring your own bike (all terrain tires recommended), helmet, snack, water, camera, and binoculars (if desired).

Free; weather permitting; limited to 15; please call to register.

Times for both trips are 9:30am—11:30am

September 10th (Saturday) October 8th (Saturday)

Environmental Discovery Series

Event One: Adventures of a Wildlife Vet-Human Impacts on Wildlife

In celebration of National Estuaries Day, Dr. Al Segars a veterinarian with South Carolina's Department of Natural Resources will be joining us for a closer look at how we share our environment with wildlife. The program will feature both the negative ways that humans impact wildlife as well as ways that we can become better stewards of this beautiful environment that many animals call home.

Free; limited to 35 participants; please call to register.

September 22nd (Thursday) 6:00pm-7:30pm

Additional activities for the Hobcaw Barony Discovery Center can be found on our Calendar of Events at www.northinlet.sc.edu
