

IMAGINE A WORLD

**Where meetings are
effective, collaborative,
and productive.**

Learn to design meetings that enhance problem solving and minimize conflict. This course teaches attendees how to conduct meetings, both big and small, that reach specific goals—and it provides the tools and techniques needed to handle disruptive behaviors.

Previous attendees had great things to say about the training:

“I’ve already put these skills to use!”

“My monthly meetings are now faster, and I’m getting better results.”

“This training has REALLY proven helpful in all aspects of what I do.”

“This course helped me feel confident enough to handle a disruption.”

North Inlet- Winyah Bay National Estuarine Research Reserve, City of Georgetown, & Georgetown RISE invite you to this Free training.

February 1 & 2, 2018 - 9:00am-5:00pm
Howard Center, 1610 Hawkins St, Georgetown, SC

Registration is required by 1/17/2018 – spaces will be limited

Planning and Facilitating Collaborative Meetings

Learn to design meetings that enhance problem solving and minimize conflict. Collaboration can be complicated, requiring a systematic approach. This course provides the skills and tools to design and implement collaborative approaches. The skills will be useful even when attending, but not running, meetings.

Feb 1 & 2, 2018 9:00am-5:00pm
Howard Center, 1610 Hawkins St,
Georgetown, SC

Objectives: After completing this course, you will be able to

- Learn and practice facilitation skills
- Use appropriate process tools and techniques to address the meeting objectives
- Manage conflict in meetings by understanding group dynamics
- Identify disruptive behaviors in group processes and practice strategies to deal with them

Free
Workshop
Registration is
required by
1/17/18, Spaces
limited.
Lunches and
light snacks
provided
