

Grand Strand **STORMWATER POND MANAGEMENT CONFERENCE**

MYRTLE BEACH
JUNE 8 & 9, 2022

Join us: HOA representatives, pond owners, property managers, and pond management professionals.

The 2022 Grand Strand Stormwater Pond Management Conference will provide a forum for the latest information, resources, and tools on stormwater pond management for Grand Strand communities.

Topics will include integrated aquatic weed management, erosion, inspections, wildlife, budgeting, upland management, and more!

CONFERENCE EXHIBITORS WILL INCLUDE

CONFERENCE FEATURES

- Presentations from local and regional pond management experts.
- Networking opportunities with local stormwater departments.

- Specialized tracks designed for HOA/pond owners and professional pond managers.
- Vendor showcase with networking opportunities.
- Resource packet for all attendees.
- Lunch and refreshments provided.
- Continuing Education Credits for SC Pesticide Applicators (One credit for Cat 3 and one credit for Cat 5 licensed pesticide applicators), Certified Floodplain Manager, members of the SC Planning Education Advisory Committee, and the American Planning Association AICP (up to 6.75 CM credits), pending approval.
